About Us

Nightline Express, INC., is a privately owned and operated, financially secure, Third Party Logistics Company founded in 1998. We have over 50 years of senior level Transportation experience and manage over 400 million pounds of inbound and outbound freight for our customers throughout the United States and Canada.

Nightline Express bids can be tailored to one region/division or encompass your entire network. Our collective wisdom, experience and diverse transportation backgrounds are more powerful than what any one person can achieve. We think smarter and are more innovative as clear, strategic thinkers who broadly pursue the best solutions to improve effectiveness and truly add value to your business.

Nightline Express believes in being committed to you while working together to achieve success over the long term as well as the short term. We understand transportation needs and develop appropriate solutions that lead to lasting partnerships.
